Dear Ms. Peters,

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your objection was considered during the process of licensing this facility, I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing license for the above mentioned facility.

Please find enclosed a copy of a formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0074-03.
