Dear Applicant

You are advised that there remains outstanding information as requested under Regulation 18(3)(b) of the Waste Water Discharge (Authorisation) Regulations 2007, as amended, in relation to D0160-01, Dunmanway agglomeration licence application.

You are therefore requested to submit the outstanding information detailed below by 22/05/2013.

### REGULATION 16 COMPLIANCE REQUIREMENTS

#### Question

Provide the grid reference (easting and northing) of the monitoring point for the primary discharge from the WWTP.

#### Associated Documents

Your reply to this notice should include a revised non-technical summary which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions. Please note that all maps/drawings should not exceed A3 in size.

Please direct any queries that you may have in relation to the above to the Inspector Suzanne Wylde or to OCLR Admin Team E.

Yours sincerely
