Dear Ms. Babiarczyk,

Further to our recent conversation, I would like to put on the record that the Article 14 notice in relation to the application W0275-01, dated 21 June 2013, was sent to the wrong correspondence address. As per the correspondence entitled 'Letter from Applicant – Re Change of Address – For Correspondence', dated 06 January 2011, a revised address for correspondence was notified to the Agency, which has since been used by the Agency in correspondence i.e. Article 14 (2)(b)(ii) Notice, dated 10 August 2011.

While every effort will be made to respond to the Article 14 notice, dated 21 June 2013, within the timeframe stipulated, the delay in being made aware of this correspondence should be noted.

Best Regards,

Derek Milton
