**Re: Request for Time Extension**

Dear Ms. Harrington,

As discussed in our earlier conversation today, OES Consulting respectfully requests, on behalf of Westland Horticulture, an extension of time to complete the Environmental Impact Statement (EIS). Originally the EIS was to be completed by the 16<sup>th</sup> July 2013 however due to unforeseen circumstances we envisage that the EIS will be lodged on the 31<sup>st</sup> July 2013.

If you require any further clarification on the above then please do not hesitate to contact the undersigned.

Yours sincerely,  
for OES Consulting
