Re; Glass Recycling Facility, Ubnit 4, Oberstown Industrial Park, Caragh Road, Naas,  
Co. Kildare. Your Ref: SU09.SU0015: PA Ref: 11/508

Dear Mr Kilmurray,

I refer to your letter received 24<sup>th</sup> July 2013 requesting submissions or observations in relation to submissions received by An Bord Pleanala from Tom Philips and Associates on behalf of the applicant – Rehab Glassco.

A waste licence application was made by Rehab Glassco Ltd to the EPA on the 27<sup>th</sup> July 2011 (Register No. W0279-01). This licence application is currently under assessment. I refer you to an earlier EPA submission, dated 19<sup>th</sup> April 2013, to An Bord Pleanala in that regard.

With regard to the issues raised in the submission, a waste licence, should one be granted, will set out a range of controls in relation to the operation of the facility and the amount of waste that can be accepted at the facility. It will also require measures to be taken to control and minimise nuisance and impact by dust, noise and birds etc.

Yours sincerely,

---
