To: Caroline Murphy

Subject: O'Toole Composting Ltd

Dear Ms. Murphy,

Further to our submission of the IED form on behalf of the above company we would request that this form be amended to include section 11.1.

This activity relates to the recovery of skip waste and inorganic material which is in addition to the biological treatment that is carried out on site. Both of these activities will continue to be carried out on site under any new licence.

Regards

Jim Dowdall
Enviroguide Consulting
(on behalf of O'Toole Composting Ltd)
