Dear Kieran,

I refer to an application for an Industrial Emissions licence from Bord Gais Eireann for a facility at the former gasworks site at Dock Road, Limerick. This application has been assigned register number W0281-01. For your information the application was originally for a waste licence however, since 30/09/13, the application must, in accordance with Section 76A(6)(b) of the Waste Management Acts 1996 to 2013, be dealt with by the Agency under Part IV of the Environmental Protection Agency Acts 1992 to 2013 (i.e. it must now be regarded as an application for an Industrial Emissions licence).

An Environmental Impact Statement (EIS) was submitted by the applicant in support of the licence application on 4 May 2012. A copy of the application, the Environmental Impact Statement submitted by the applicant and associated correspondence are available for inspection on the Agency's website www.epa.ie.

You are requested to furnish any observations your Authority might have in relation to the licence application and EIS within **4 weeks of receipt of this notice**. Please also indicate whether the decision to grant planning permission (on the 7 March 2013) has been appealed to An Bord Pleanála.

Your observations, if any, will be considered as part of the licence application assessment process. You will be notified of the proposed determination in due course. Any telephone enquiries in relation to the above should be directed to Michael Owens at the number above. All written communications and replies should be directed to the Administration, Environmental Licensing Programme, Office of Climate, Licensing, & Resource Use, EPA Regional Inspectorate, Inniscarra, County Cork, quoting the register number W0281-01.

Yours sincerely,

Michael Owens
