**Re: Waste Licence Application W0250-01 – Kerry Central Recycling Facility Ltd. – Request for Withdrawal**

Dear Sir/Madam,

We act on behalf of Kerry Central Recycling Facility Ltd. and refer to Waste Licence Application W0250-01 which was submitted to the EPA on the 11<sup>th</sup> November 2008.

On behalf of the applicant we now wish to request that this waste licence application be withdrawn with immediate effect in accordance with Article 23(1) of the Waste Management Licensing Regulations 2004.

It is intended to submit a new waste licence application at a future date in respect of this development proposal. We propose that the €22,000 application fee previously paid to the Agency by Kerry Central Recycling Facility be retained by the Agency to cover in full the fee application charge in respect of this future new application.

We request that the Agency confirm in writing that both the request for withdrawal and the proposed retention of fees is acceptable.

In the event that a new waste licence application is not made to the Agency at a future date, Kerry Central Recycling Facility will seek a refund from the Agency.

In the meantime please contact the undersigned if you have any queries.

Yours sincerely,

**Maeve Walsh**  
**Senior Scientist**
