Notification under Section 87(1E)(a) of the EPA Acts, as amended.

18 November 2013

Reg. No. P0986-01

Dear Director of Services

In accordance with the provisions of Section 87(1E)(a) of the EPA Acts, as amended, you are being notified that an application for a licence, to which Section 87 (1B)(b)(i) of the EPA Act, as amended, applies, was received by the Agency on 6 November 2013. The details of the application are set out below:

- Name and address of applicant:	Timoleague Agri Gen Limited, Barryshall, Timoleague, Bandon, Co Cork
- Location of facility:	Barryshall, Timoleague, Bandon, County Cork
- National Grid Reference:	E1463 N0423
- Class and Nature of the Activity:	The use of heat for the manufacture of fuel from waste
- Relevant Inspector:	Marie O'Connor
- Licence Application Reference No:	P0986-01
- Planning Application Reference No:	13/00083
- Date planning permission granted:	03/09/2013

A copy of the application, the Environmental Impact Statement (EIS) submitted by the applicant and associated correspondence are available for inspection by you on the Agency's website www.epa.ie.

In accordance with Section 87(1E)(a) of the EPA Acts, as amended, you are requested to respond to the Agency within **4 weeks of receipt of this notice** with the following information:

1. State whether the activity to which the licence application relates is permitted by the grant of permission referred to above.
2. Furnish all documents relating to the EIA carried out by your authority in respect of the development or proposed development to which the grant of permission refers.
3. Provide any observations your authority has in relation to the licence application.

Please note that a response to this notice is required even if you have no observations to make.

Where it is intended to submit additional documentation with your observations, it would be much appreciated if you could include an electronic copy of all documents in pdf format on a CD ROM in order to facilitate the publishing of your observations and attachments to the Agency's website.

The application is being processed by the Agency and your observations, if any, will be considered as part of the licence application assessment process. You will be notified of the proposed determination in due course.

Yours sincerely
