re: Waste Licence Application review in respect of Waste Recovery Services (Fermoy) Limited at Cullenagh, Fermoy, County Cork, in accordance with Article 21(2) of the Waste Management (Licensing) Regulations, 2004 as amended

Dear Mr Dunlea

I am to refer to your incomplete application for a waste licence review, Reg. No W0107-03 which was received by the Agency on 27 April 2012.

As you are aware, the Agency assessed your waste licence review application for compliance with Article 12 of the Waste Management (Licensing) Regulations, 2004, as amended, and, on 9 July 2013 and 21 August 2013, requested information under Article 14(2)(b)(ii) of the said Regulations in order to complete the application.

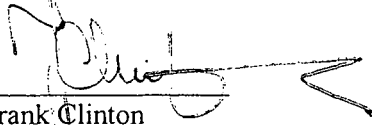

Almost none of the above information has been received by the Agency to date, and the Agency is now of the opinion that the application has been abandoned.

I enclose a Notice in accordance with Article 21(2) of the Waste Management (Licensing) Regulations, 2004, as amended. If no submission is received within the period specified in the notice, the application will be regarded as having been withdrawn. Failure to provide the outstanding information within the time limit will also be regarded as indicating withdrawal of the application.

The Agency is empowered to regard the application as having been withdrawn even if a submission is made and/or the documentation furnished. You should therefore treat this notice as one of primary importance and possibly the last opportunity for you to comply with your statutory obligations.

Withdrawal of the licence application may result in prosecution for carrying on an unlicensed activity or activities.

Yours sincerely
