Re: Indaver Ireland Limited Carranstown, Meath WL Reg. No. W0167-03

Dear Ms Kehoe,

Your letter of 21 November 2013 asks for our consent in accordance with Regulation 14(2) of the EPA (Industrial Emissions) (Licensing) Regulations (S.I. No. 137/2013) (the "Regulations"), to extend the period within which the Agency will issue a Proposed Determination to 24 March 2014.

We consent to this request.

We might mention that with the landfill diversion targets and renewable energy targets which are obligations on Ireland as a Member State, we would hope that no further extension will be sought by the Agency before issuing the revised licence in this case

If there is anything we can do to help expedite this matter, please do not hesitate to contact me. I also take this opportunity to ask that you change the primary contact for this application to:
