Re: Objection to the proposed decision of the Agency on a waste licence application by
Padraig Thornton Waste Disposal Limited in respect of a facility at Kilmainhamwood
Compost, Ballynalurgan, Kilmainhamwood, Kells, Co Meath

Dear Mr and Mrs Williams

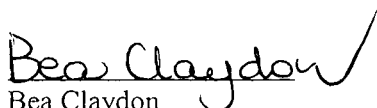

I am to acknowledge receipt of your objection to the Agency's proposed decision in respect of the above referenced waste licence application. Please find accompanying a copy of two other objections received by the Agency in relation to the proposed decision. I am to state that the Agency will consider the objections in accordance with the Waste Management Act 1996 as amended, including notifying you of its decision in due course. One of the criteria for a valid objection is the satisfactory lodgement of the objection fee cheque to the Agency's bank account.

As a party to the objection, you are entitled, but not required, to make a submission in writing to the Agency on the other objections, to be received by the Agency no later than 5pm on 17 January 2014. It should be noted that the Agency cannot consider a submission received after the specified date and so any such submission should be both complete and received by the Agency no later than 5pm on the specified date.

The Agency received a request for an Oral Hearing from one or more parties to the objections. Under the Waste Management Act 1996 as amended, the Board of the Agency has an absolute discretion to hold an Oral Hearing in relation to an objection. The Board of the Agency will consider the request for an oral hearing of the objection in due course and you will be notified of its decision in due course.

Please note that the register number assigned to this waste licence application is W0195-02. Please address all correspondence in relation to this matter to the *Licensing Unit, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, P.O. Box 3000, Johnstown Castle Estate, Co. Wexford* quoting the register number.

Yours sincerely

Bea Claydon
Programme Officer
Office of Climate, Licensing & Resource Use

Encl.
