10 December 2013

Reg. No. W0244-01

Re: Declaration for the purposes of Regulation 12(c) of the European  
Communities Environmental Objectives (Groundwater) Regulations, 2010

Dear Mr. Tooher

In accordance with Regulation 12 of the European Communities Environmental Objectives (Groundwater) Regulations, 2010, the Agency must examine all IPPC and Waste licences granted to determine if they comply with the requirements of the above referenced Regulations.

The Agency has examined the terms of the above referenced licence granted to Waterford City Council on 13th May 2009 in respect of the installation located at Waterford City Council Composting Site, Springfield House, Gorteens, County Kilkenny, for the purposes of determining if the licence complies with the requirements of the Regulations or whether it requires to be reviewed or amended as provided for in the Regulations.

Having completed its examination, the Agency has determined that your licence is in conformity with the provisions of the above referenced Regulations and consequently does not require to be reviewed or amended. Accordingly no further action is necessary at this time.

However, it should be noted that no alteration to, or reconstruction in respect of, the activity or any part thereof, shall be carried out or commenced without prior notice to, and without the agreement of, the Agency as required under the conditions of your licence and the provisions of Section 46(6) of the Waste Management Acts 1996, as amended.

Yours sincerely

Ana Bolger  
Programme Officer  
Office of Licensing & Guidance
