**Re: Review Waste License No.W0107-03**

Dear Ewa,

I wish to withdraw our application for a waste licence review reference number W0107-03 applied for on 24<sup>th</sup> April 2012, which relates to an increase in the amount of waste that can be accepted.

The reason for the withdrawal is a change in our business model and our intention to develop a new waste recovery facility at an alternative location in Cork.

Given the significant costs incurred in preparing the Licence Application, we request the Agency consider exercising its discretionary powers under Article 45 (1) of the Waste Management (Licensing) Regulations 2004, to refund up to half the application fee.'

Yours Sincerely,

---

Mr. Adrian Dunlea  
Environmental Manager.
