Re: Notice in accordance with Regulation 33(1)(c) of the Waste Water Discharge (Authorisation) Regulations, 2007, as amended regarding a Technical Amendment to a Waste Water Licence

Dear Company Secretary,

I refer to the Agency's letter of 19<sup>th</sup> August 2013, to the relevant Water Service Authority at that time, advising that the above referenced waste water licence was to be technically amended.

I am to advise that the Agency has amended your existing licence, Reg. No.D0049-01, agglomeration named Ballincollig & Environs, to incorporate the changes as outlined in the attached Technical Amendment document. The amendment should be read in conjunction with and attached to your existing licence, Reg. No.D0049-01, as well as any other Technical Amendment(s) on this licence, if applicable.

Any queries regarding your licence should be directed to your Enforcement Inspector.

Yours sincerely,

Marie Fay
