Reg. No. D0202-01

Re: Request for a Technical Amendment under Regulation 33(1)(b) of the Waste Water Discharge Authorisation Regulations 2007, as amended.

Dear Company Secretary,

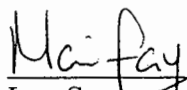

Further to a letter received on 16th June 2011 from Cork County Council, the relevant Water Authority at the time, requesting a Technical Amendment to Licence Reg No. D0202-01, Mitchelstown.

I am to advise that the Agency has decided not to amend your existing licence. Should you wish to proceed with the proposed changes, please submit a waste water licence review application. The relevant forms can be accessed at <http://www.epa.ie/pubs/forms/lic/wwda/>.

All documentation in relation to this application for a Technical Amendment is available to view online at www.epa.ie.

If you have any further queries, please contact your relevant Enforcement Inspector.

Yours sincerely,

Leo Sweeney
