15 April 2013

Reg. No: P0606-03

Dear Ms Morrissey

I refer to your letter to the Office of Climate, Licensing and Resource Use dated 25<sup>th</sup> March 2013 requesting a technical amendment of licence Reg. No. P0606-03 to accommodate the following:

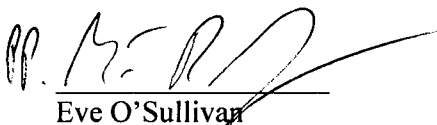

- Changes to emission point SW3;
- Changes to monitoring point BH3; and,
- The exclusion of areas of land within the site boundary.

In order for the Agency to progress your request please submit the following information:

- Outline the amendments you require to be made to the licence to accommodate the changes proposed for SW3.
- Provide written evidence that the Office of Environmental Enforcement (OEE) is satisfied that the areas identified in Drawing No: GISB-1201 (rev1) may be excluded from the licenced site boundary.
- Confirm with OEE whether the changes proposed to BH3 can be accommodated under the existing licence (P0606-03).

You are requested to provide the information within **one month** of this notice. In the absence of a response to this letter, the Agency may consider that you no longer wish to proceed with the request for a technical amendment.

Yours sincerely

Eve O'Sullivan  
Office of Climate, Licensing & Resource Use
