Re: Transfer of Licences

Dear Mr Doyle

Please find enclosed relevant transfer notifications/letters which have been signed and sealed by the Agency. The dating of these notifications and letters will need to be completed by you when the pre-conditions set out in the Approval of Transfer letters are fulfilled.

Please find enclosed also copied documentation which will need to be dated and sent to Greenstar (the transferee).

We would request that you confirm with us when the documentation issues.

Yours sincerely
