I am to confirm that the ELRA and CDP costings submitted as set out in the table below are approved.

It should be noted that the closure costings for facilities bearing licence register numbers, W0173-01, W0116-02, W0079-01 and W0241-01 are approved assuming the facilities remain inoperational. Should the facilities re-engage in waste acceptance, then a revised closure cost will need to be determined and submitted to the EPA.
