Re: Review of a licence

Dear Mr. Cullinan

I refer to the Agency's letter to you dated 10th May 2013 regarding a proposed review of your licence Register No. P0467-02.

Pursuant to the European Union (Industrial Emissions) Regulations 2013, Part IV of the Environmental Protection Agency Act 1992 has been amended and the Agency is now required to determine any Industrial Emissions licence review application under the new Part IV.

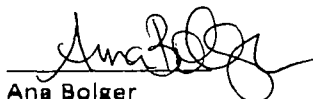

A valid application for a licence or the review of a licence must contain the information prescribed in Regulation 9 of the EPA (Industrial Emissions) (Licensing) Regulations 2013, which can be viewed at <http://www.epa.ie/licensing/industrialemissionslicensing/>.

Updated Industrial Emissions licence application forms can be downloaded at: <http://www.epa.ie/pubs/forms/lic/industrial%20emissions/>.

Therefore, in light of the amendments to the Environmental Protection Agency Act, you are advised to disregard the Agency's letter of 10th May 2013 and submit any licence review application in accordance with the above referenced Regulations.

Please direct all correspondence in relation to this matter to *Administration, Environmental Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, P.O. Box 3000, Johnstown Castle Estate, County Wexford.*

Yours sincerely
