

Groundwater Level  
(m MHD)

Contours based on  
locations with response  
zone in rock only

Apparent GW source

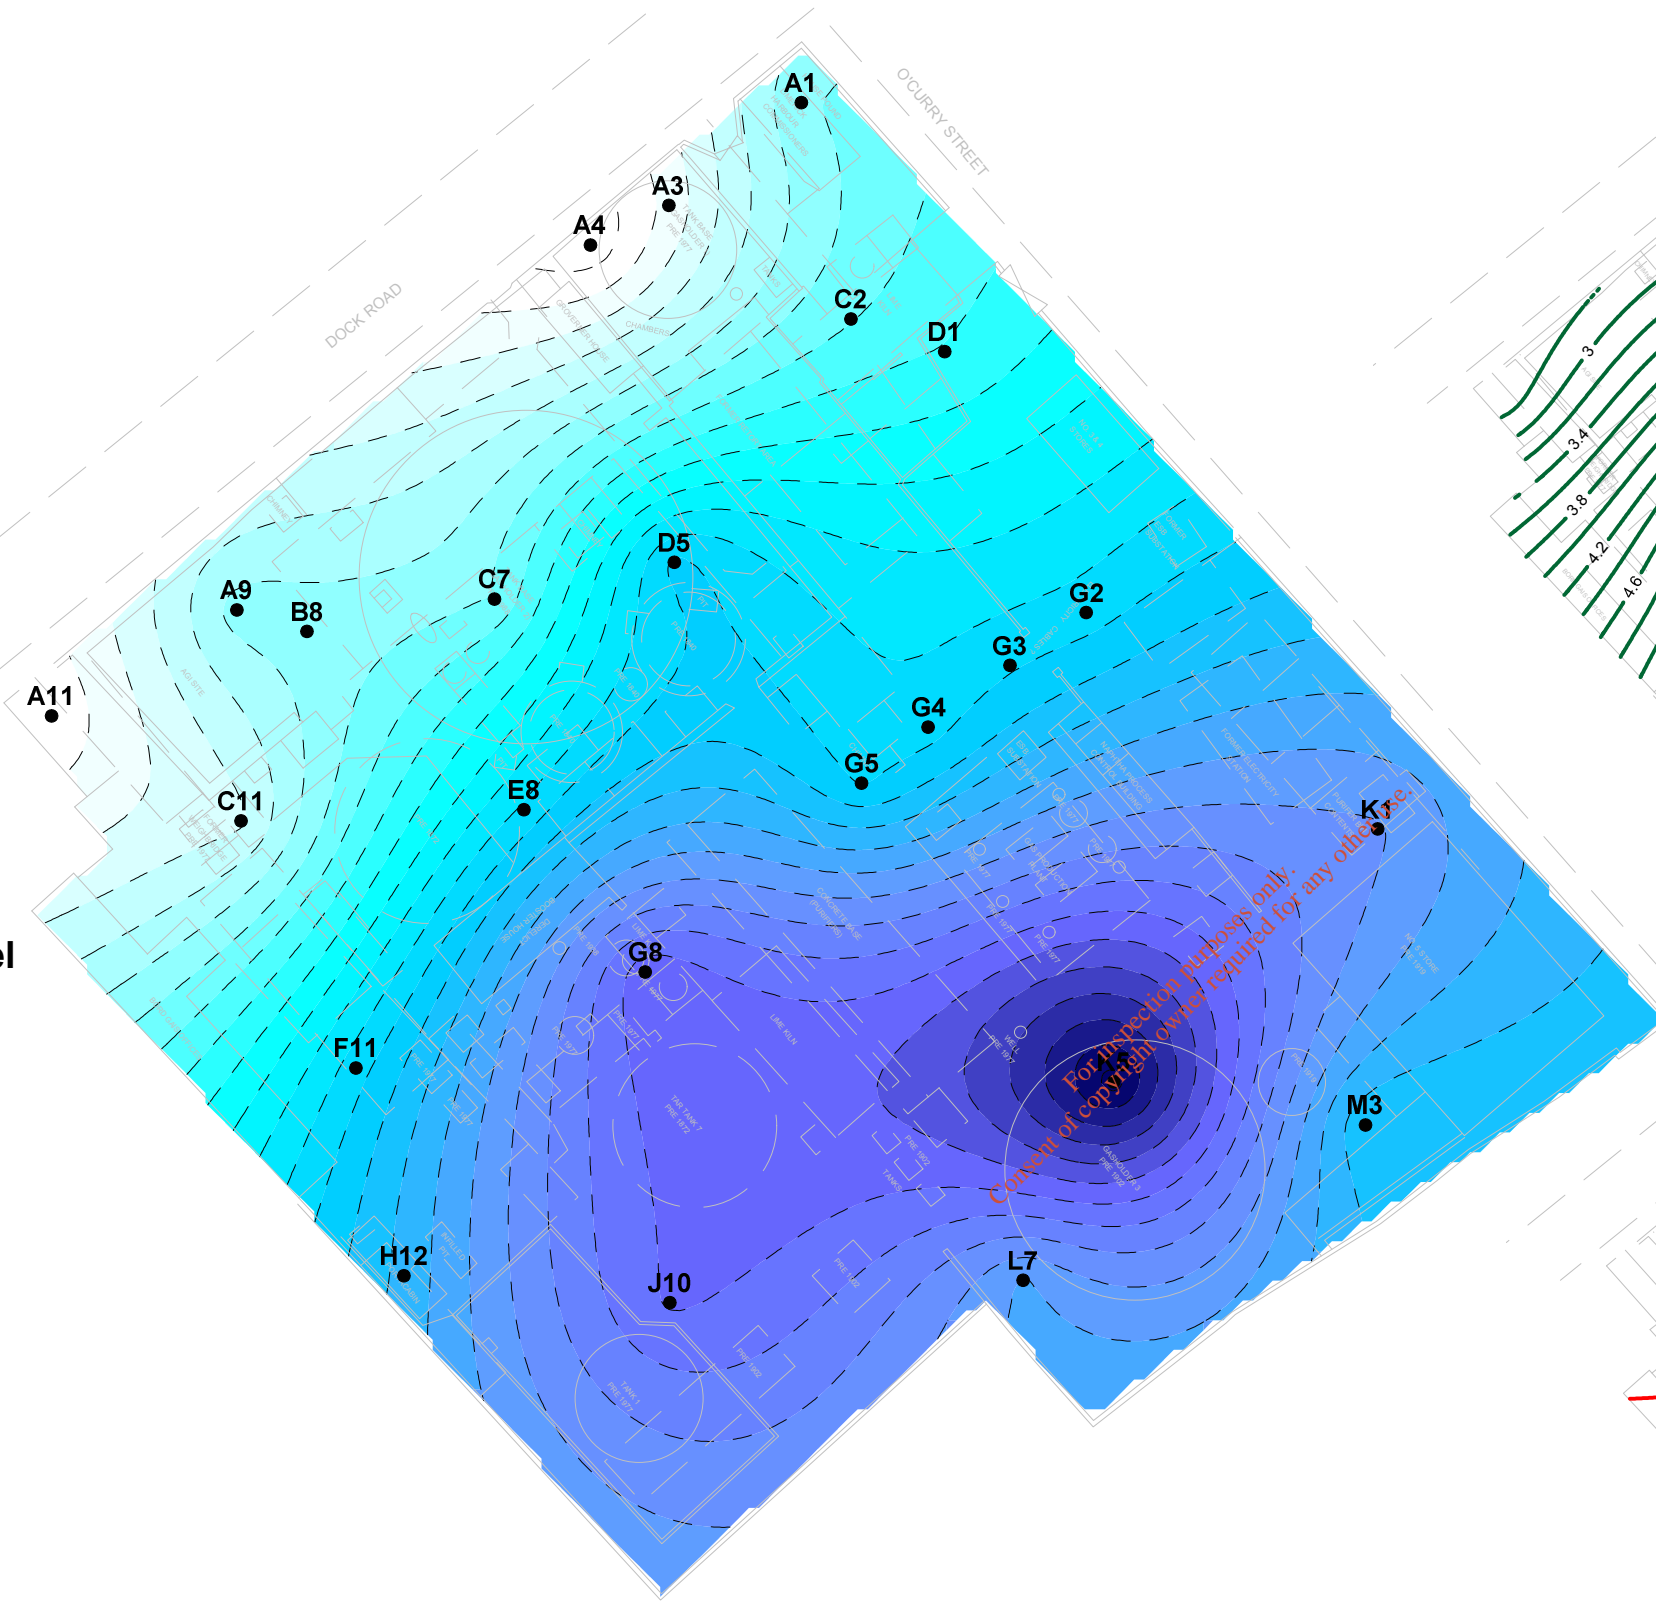

Contours based on  
locations with response  
zone in made ground only

Apparent GW source

These plots have been produced using data obtained from the groundwater monitoring visit undertaken on 16/01/2013. Contours were plotted using the Kriging method based upon a 1m x 1m grid.
