REF W0273-07

Dear Sir/Madam,

I wish to withdraw my application for a waste license permit, which was lodged in Sept/October 2009. The proposed development of a business park by a developer, and new Teagasc office in the business park, did not go ahead. Since then, the developer has gone into liquidation, and he has informed me that no soil will be hauled to my land in Upper Quartertown. I would also wish for consideration to be given a refund of the license fee.

Thanking You,

Yours Sincerely

Michael O'Hanlon
