Dear Mr Madden

I refer to your application for a licence, which was received on 08/08/2012 and advise in accordance with Regulation 10(2)(b)(ii) of the EPA (Industrial Emissions) (Licensing) Regulations 2013, that the following information is required in support of the application under Regulation 9 of the Regulations:

1. As required under Regulation 9(2)(n), review the baseline report with respect to the European Commission Guidance concerning baseline reports under Article 22 (2) of Directive 2010/75/EU on Industrial Emissions (2014/C 136/03) and submit an amended version accordingly.
2. As required under Regulation 9(2)(i) complete Tables E.1(ii) and E.1(iii) to include maximum hourly flow rate of emissions. Pre and post-abated levels of particulate emissions should be provided.

In addition to the above please also provide an updated non-technical summary to reflect the information provided in your reply.

The requested information should be submitted to the Agency with six weeks of the date of this notice, in order to allow the Agency to process and determine your application.

In the circumstances, you should make immediate arrangements to have the required documents (1 signed original and 1 copy in hardcopy format, and 2 copies of all files in electronic searchable PDF format on a CD-ROM submitted to the Agency without delay. Your response to this request should be directed to Noeleen Keavey Administration Officer, Office of Climate, Licensing & Resource Use.

It should be noted that the eight-week period within which the Agency is to decide the proposed determination will commence on the day on which this notice has been complied with. If you have any further queries please contact Mr Patrick Geoghegan at the number above.

Yours sincerely,

Patrick Geoghegan
