

WASTE FACILITY LICENCE SITE NOTICE

APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE FACILITY LICENCE

Notice is hereby given in accordance with Waste Management Regulations 1996-2013, Roadstone Ltd of Fortunestown, Tallaght, Dublin 24 intends to submit a revised EIS for the recovery of inert material and recycling of inert C&D material at Cruicerath and Platin Townlands, Mullaghcrone Quarry, Donore, Co. Meath (Grid Ref; 30530, 21715). The revised EIS relating to waste licence application number W0278-01 will be submitted to the EPA within 10 working days of the date of this notice.

The proposed waste licence application provides for the use of approximately 1,200,000 tonnes of soil and stones materials for the restoration of a quarry void and recycling of inert construction and demolition material.

The Class(es) of Activity at the site, as specified in the Fourth Schedule of the Waste Management Acts, is/are as follows;

The principle activity to be carried out at the facility will be:

Class 10: Spreading of any waste on land with a consequential benefit for an agricultural activity or ecological system, including composting and other biological transformation processes.

Other activities of the fourth schedule will also include:

Class 4: Recycling or reclamation of other inorganic materials

Class 3: Recycling or reclamation of metals and metal compounds.

Class 13: Storage of waste intended for submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where the waste concerned is produced.

A copy of the application for the waste licence application, Environmental Impact Statement and further information relating to the application may be furnished to the Agency in the course of its consideration of the application will as soon as is practicable after receipt by the Agency, be available for inspection or purchase at the EPA headquarters.
