PUBLIC NOTICES

APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE LICENCE

ROADSTONE, Tallaght, Dublin 2, Environmental Protection Agency for a waste licence (Ref. W0272-01) in respect of a proposed inert waste recovery plant in the M16 area, Skerries, Co. Dublin (National Grid Reference 3247E, 2592N). The waste licence application provides for the treatment of 1,900,000m³ of principal natural materials, principally soil, stones and/or broken rock to backfill a large existing void (a) Separation and demolition construction and demolition waste unintentionally imported to site and its removal off-site to authorised facilities for authorised waste disposal or (ii) Temporary stockpiling of topsoil and subsoil pending re-use in restoration of the site; (iv) Restoration of the backfilled void (including placement of topsoil, landscaping and return to use as agricultural grassland; (v) Environmental monitoring of noise, dust, surface water and groundwater for the duration of the principal activities. Class R5 of the Fourth Schedule of the Waste Management Acts 1996-2013 (recycling or restoration) other activities include Class R3 of the Fourth Schedule (recycling) or reclamation of the organic as solvents) and Class R13 of the Fourth Schedule (storage of waste pending any of the operations) numbered R1 to R22 in accordance with Section 42(1)(b) of the Waste Management Act 1996-2013, as amended by the EU(EIA) 2003, the Agency has requested that an amended Environmental Impact Statement be submitted to it in Application for the Waste Licence Application.

A copy of the Waste Licence Application, the Environmental Impact Statement and further information relating to the Application that may be furnished to the Agency in the course of its consideration of the Application will, as soon as the Application is made by the Agency be available for inspection or purchase at the headquarters of the Agency.

PLANNING APPLICATIONS

DUBLIN CITY COUNCIL, Cavalli Investments PLC INTENDS TO APPLY FOR PERMISSION FOR development of a site (G.0.48) at 27-33 Fleming Place, Dublin 2. This site currently accommodates an existing 6 storey office building and underground parking at 2 levels of ground and ground floor (c. 3,256 sq m / 200 no. spaces), plus caretaker apartment and level. Component building elements comprise Block A fronting Fleming Place, Block C fronting Baggot Street Upper, Block A and B along the eastern edge of the site. The site is otherwise bounded by Nos. 23-25 Baggot Street Upper and D. St. Matthews House to the east. The proposed development will increase the overall gross floor area, excluding underground car parking, to c.11,654 sq m (c. 71,136 sq m including underground car parking) and will be divided into 5th floor levels to existing Block B eastern elevation (c.2,298 sq m gfa), the construction of a new building levels to existing Block A northern elevation (c.1,280 sq m gfa) over lower ground and lift lobby extending from lower ground floor to 6th floor level on the southern elevation of Block A, a rotating Fleming Place ancillary gym/leisure centre facilities within the internal floor area at lower ground and existing Block B, the extension northwards (c.90 sq m gfa) of the existing setback penthouse fronting Baggot Street Upper; the demolition of an existing caretakers apartment (c. 83 sq m gfa) and plant room (c. 415 sq m gfa) over Blocks A and B, and the reconstruction of a consolidated plant room (c.562 sq m) at roof level of Block B; the construction of Block B, replacing existing caretakers apartment and plant room, set back at roof level on the southern elevation of Block A fronting Fleming Place; the replacement of all existing building facades; the redesign of the existing ground floor and the existing lower ground and floor entrance at Fleming Place to create new double height entrances, which will each be 10m wide and have an internal link gallery atrium (c.294 sq m gfa) along the eastern flank of Block B that will provide the proposed building's main entrance; development works including: internal refurbishment and minimisation of existing office building to c.11,654 sq m gfa; reconfiguration of lower ground and ground floor, car spaces from 200no. spaces to 91no.; the provision of 133no. ESB parking spaces, 2no. ESB storage, bin storage, plant and store rooms, at lower ground and ground floor levels; the provision of landscaping works within site. The planning application may be inspected, or purchased at a fee not exceeding the reasonable office of Publicity, City Council, Planning Department, Block 4, Ground Floor, Civic Office, Wood Quay, Dublin 8, during its Friday 9:00am to 4:30pm. A submission or observation in relation to the application may be made, in writing to the Planning Authority, within the period of 5 weeks beginning on the date of receipt by the Authority of the application.
