Dear

I am to refer to your letter dated 19th January in relation to the Roadstone Dublin Limited waste licence application (Reg. 213-1), which has been forwarded to me for direct reply to you.

I note that you are writing on behalf of the residents of Burgage Manor and I wish to advise that your letter is being considered as a submission in relation to this application. The issues raised in your letter will be considered and taken into account by the Board of the Agency before a decision is made on the application.

As you are aware a waste licence application was received by the Agency on 7th December 2004. This application is available for inspection at the headquarters of the Agency in Wexford.

The questions and issues you raise are detailed in the application form or are those that the Agency must take into consideration when assessing the application and in these circumstances it is not possible to respond accordingly.

It is a matter for you to identify the relevant section or part thereof to be copied. These are subject to a nominal photocopying charge. The Agency also provides a 'pay for use' public photocopying facility at its public viewing office.
