Dear Mr Connolly

I refer to your undated letter, received by the Agency on 22 May 2014, requesting a Technical Amendment to your existing licence.

I am to advise that the Agency has decided not to amend your existing licence, for the reasons outlined in the attached Inspector's Report. Should you wish to proceed with the proposed changes, you are required to submit a licence review application. It would be advisable to arrange a pre-application meeting with the Agency.

The EIS which you included with your Technical Amendment request is herewith returned.

Yours sincerely
