Dear Mr. Shryane,

I refer to your application for a Waste Water Discharge Certificate of Authorisation for the **Scotshouse agglomeration, Co. Monaghan (Reg. No. A0518-01)**.

I am to advise you in accordance with Regulation 42(8)(a) of the European Communities (Birds and Natural Habitats) Regulations 2011 (S.I. No. 477 of 2011) that the Agency has made a determination that an Appropriate Assessment is not required as the project, individually or in combination with other plans or projects, is not likely to have a significant effect on a European site(s).

The Appropriate Assessment Screening Determination is available to view below this notice. Please direct any queries that you may have in relation to the above to Patrick Byrne at 01-2680100 or to OCLR Admin Team B.

Yours sincerely

Appropriate Assessment Screening Determination

In accordance with Regulation 42(1) of the European Communities (Birds and Natural Habitats) Regulations, 2011, S.I. No. 477 of 2011, the Agency has undertaken Appropriate Assessment screening to assess, in view of best scientific knowledge and the conservation objectives of the site, if the activity, individually or in combination with other plans or projects is likely to have a significant effect on a European Site. In this context, particular attention was paid to the European Site(s) listed below.

Certificate Application Details:

| | |
|--|--|
| Reg. No. | A0518-01 |
| Applicant Name: | Irish Water |
| Location of Agglomeration: | Scotshouse, County Monaghan |
| Certificate Application Date: | 16/05/2012 |
| European Site(s) assessed: | Lough Oughter and associated Loughs SAC (Site Code: 000007) |
| Date of AA Screening Determination: | 06/08/2014 |

AA Screening Determination:

That the activity is not directly connected with or necessary to the management of the site as a European Site and that it can be excluded on the basis of objective scientific information, that the activity, individually or in combination with other plans or projects, will have a significant effect on a European site, and accordingly the Agency determined that an Appropriate Assessment of the activity is not required.

It has been determined that the activity does not have the potential for significant effects on a European Site due to the level of treatment provided at Scotshouse WWTP.
