Subject: Additional Information for KWD

Dear Mr. Owens,

I am contacting you in relation to our client KWD, and their Waste Licence Review Application (W0217-01/02) for their facility at Aughnacureen, Killarney, Co.Kerry. Further to your conversation with Brian Bruton of KWD two weeks previous, we would like to submit additional information for this application by the end of next week (28th September), prior to your impending visit to site in October. Would this information be considered by the EPA, to support the Waste Licence Review Application?

If you have any further questions please do not hesitate to contact me,

Kind regards,
Joanne Finnegan
