Dear Ms. O'Connor,

Further to your letter of 20th February 2014, G.Bruss GmbH DICHTUNGSTECHNIK wishes to submit an application for the review of IPC Licence No. PO465-01 currently held by G. Bruss GmbH. The review is requested to support the introduction of a new coating process 'Gleitmo Coating' at our facility, Grid Ref: N163460, E336330 at Finisklin Road, Sligo, Co. Sligo.

The process will necessitate an emission to atmosphere of VOC, an emission which is not within the scope of our current licence. Confirmation to this affect has been received from the Office of Environmental Enforcement, Castlebar.

This application for review of a licence is requested under Regulation 9 of the EPA (Integrated Pollution Control) (Licensing) Regulations, 2013 (S.I. 283 of 2013).

We declare that the content of the electronic files of the Application Form on the accompanying CD-ROM is a true copy of the original form.

Please find enclosed the following documents for review:

- Application Form and attachments Hardcopy: 1 signed original, 1 copy
- 2 electronic copies of the Application form and all files on CD-ROM
- 1 CD-ROM containing digital drawing files re. section B.2, E.6, F.3 and tabular data on emission and monitoring points
- Application Fee of €14,601

We would respectfully request that, should it be feasible as part of the review of this application, a refund of fee could be considered.

Please do not hesitate to contact us with any queries you may have,

Yours sincerely,
