IE Licence Application by Indaver Ireland Limited in respect of Carranstown, Duleek,
County Meath.

Dear Mr. Maguire

Further to your submission of 14 May 2012, received on 1 June 2012, in relation to an application for an Industrial Emissions licence by Indaver Ireland Limited in respect of an installation at Indaver Ireland Limited, Carranstown, Duleek, County Meath (Reg. No. W0167-03).

I am to advise you in accordance with Regulation 42(8)(a) of the European Communities (Birds and Natural Habitats) Regulations 2011 and 2013 that the Agency has made a determination that an Appropriate Assessment is not required as the project, individually or in combination with other plans or projects, is not likely to have a significant effect on a European site(s). Notification of this determination is attached for your reference.

The application and associated correspondence, including acknowledgements, notifications and general correspondence are available to view on the Agency website at www.epa.ie. You are advised to refer to the website for information on the progress of the application.

Please direct any further correspondence in relation to this matter to Administration, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, P.O. Box 3000, Johnstown Castle Estate, County Wexford.

Appropriate Assessment Screening Determination

In accordance with Regulation 42(1) of the European Communities (Birds and Natural Habitats) Regulations, 2011 and 2013, the Agency has undertaken Appropriate Assessment screening to assess, in view of best scientific knowledge and the conservation objectives of the site, if the activity, individually or in combination with other plans or projects is likely to have a significant effect on a European Site(s). In this context, particular attention was paid to the European Site(s) listed below.

Licence/Permit Application Details:

| | |
|--|---|
| Reg. No. | W0167-03 |
| Applicant Name: | Indaver Ireland Limited |
| Location of Installation: | Carranstown, Duleek, County Meath |
| Licence / Permit Application Date: | 23/04/2012 |
| European Site(s) assessed: | River Boyne & river Blackwater SAC (sit code: 002299) |
| | River Boyne & river Blackwater SPA (site code: 004232) |
| | Boyne Estuary SPA (site code: 004080) |
| | River Nanny Estuary and Shore SPA (site code: 004518) |
| Date of AA Screening Determination: | 23/10/2014 |

AA Screening Determination:

That the **activity** is not directly connected with or necessary to the management of the site as a European site and that it can be excluded, on the basis of objective information, that the **activity**, individually or in combination with other plans or projects will have a significant effect on a European site, and accordingly the Agency determined that an Appropriate Assessment of the **activity** was not required.

It has been determined that this facility does not have the potential for significant effects on any European site due to the nature and scale of the WtE plant operations and the distance between the installation and the designated sites.

Further to your submission of 21 March 2013, received on 21 March 2013, in relation to an application for an Industrial Emissions licence by Indaver Ireland Limited in respect of an installation at Indaver Ireland Limited, Carranstown, Duleek, County Meath (Reg. No. W0167-03).

I am to advise you in accordance with Regulation 42(8)(a) of the European Communities (Birds and Natural Habitats) Regulations 2011 and 2013 that the Agency has made a determination that an Appropriate Assessment is not required as the project, individually or in combination with other plans or projects, is not likely to have a significant effect on a European site(s). Notification of this determination is attached for your reference.

The application and associated correspondence, including acknowledgements, notifications and general correspondence are available to view on the Agency website at www.epa.ie. You are advised to refer to the website for information on the progress of the application.

Please direct any further correspondence in relation to this matter to Administration, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, P.O. Box 3000, Johnstown Castle Estate, County Wexford.

Yours sincerely,

Appropriate Assessment Screening Determination

In accordance with Regulation 42(1) of the European Communities (Birds and Natural Habitats) Regulations, 2011 and 2013, the Agency has undertaken Appropriate Assessment screening to assess, in view of best scientific knowledge and the conservation objectives of the site, if the activity, individually or in combination with other plans or projects is likely to have a significant effect on a European Site(s). In this context, particular attention was paid to the European Site(s) listed below.

Licence/Permit Application Details:

| | |
|--|---|
| Reg. No. | W0167-03 |
| Applicant Name: | Indaver Ireland Limited |
| Location of Installation: | Carranstown, Duleek, County Meath |
| Licence / Permit Application Date: | 23/04/2012 |
| European Site(s) assessed: | River Boyne & river Blackwater SAC (sit code: 002299) |
| | River Boyne & river Blackwater SPA (site code: 004232) |
| | Boyne Estuary SPA (site code: 004080) |
| | River Nanny Estuary and Shore SPA (site code: 004518) |
| Date of AA Screening Determination: | 23/10/2014 |

AA Screening Determination:

That the **activity** is not directly connected with or necessary to the management of the site as a European site and that it can be excluded, on the basis of objective information, that the **activity**, individually or in combination with other plans or projects will have a significant effect on a European site, and accordingly the Agency determined that an Appropriate Assessment of the **activity** was not required.

It has been determined that this facility does not have the potential for significant effects on any European site due to the nature and scale of the WtE plant operations and the distance between the installation and the designated sites.

AA Screening Determination:

That the **activity** is not directly connected with or necessary to the management of the site as a European site and that it can be excluded, on the basis of objective information, that the **activity**, individually or in combination with other plans or projects will have a significant effect on a European site, and accordingly the Agency determined that an Appropriate Assessment of the **activity** was not required.

It has been determined that this facility does not have the potential for significant effects on any European site due to the nature and scale of the WtE plant operations and the distance between the installation and the designated sites.

IE Licence Application by Indaver Ireland Limited in respect of Carranstown, Duleek,
County Meath.

Dear Mr. Heer

Further to your submission of 25 June 2012, received on 13 July 2012, in relation to an application for an Industrial Emissions licence by Indaver Ireland Limited in respect of an installation at Indaver Ireland Limited, Carranstown, Duleek, County Meath (Reg. No. W0167-03).

I am to advise you in accordance with Regulation 42(8)(a) of the European Communities (Birds and Natural Habitats) Regulations 2011 and 2013 that the Agency has made a determination that an Appropriate Assessment is not required as the project, individually or in combination with other plans or projects, is not likely to have a significant effect on a European site(s). Notification of this determination is attached for your reference.

The application and associated correspondence, including acknowledgements, notifications and general correspondence are available to view on the Agency website at www.epa.ie. You are advised to refer to the website for information on the progress of the application.

Please direct any further correspondence in relation to this matter to Administration, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, P.O. Box 3000, Johnstown Castle Estate, County Wexford.

Yours sincerely,

Ann Kehoe

Programme Officer

Appropriate Assessment Screening Determination

In accordance with Regulation 42(1) of the European Communities (Birds and Natural Habitats) Regulations, 2011 and 2013, the Agency has undertaken Appropriate Assessment screening to assess, in view of best scientific knowledge and the conservation objectives of the site, if the activity, individually or in combination with other plans or projects is likely to have a significant effect on a European Site(s). In this context, particular attention was paid to the European Site(s) listed below.
