Johnstown Castle
Co Wexford

**Re: Ormonde Organics Limited
W0287-01**

Dear Ms Babiarczyk,

I acknowledge receipt of your letter dated 13th November 2014.

I confirm that we will provide the information requested by the Agency in the Notice dated the 10th March 2014.

The reason for not submitting the response is due to the delay by the OEE in completing the IPPC Licence surrender process. As the OCLR had informed us that the IE Licence could not be granted until such time as the IPPC licence was surrendered, we assumed we did not have to submit a response to the Notice until this matter had been resolved. The OEE visited the site on 15th October to inspect the site as part of the IPPC Licence surrender process, and we assumed that the OCLR had been informed of this.

Yours truly,

Michael Murphy
