re: Inspection under Section 41(6) of the Waste Management Act, as amended.

Dear Mr. Mustafa,

I refer to the inspection carried out under Section 41(6) of the Waste Management Act, 1996, as amended, at your facility on 5<sup>th</sup> December 2014.

The Agency notes a new emission point has been installed at the new extension to the front of the main building which was not included in waste licence application reg. no. W0279-01. Please be advised that waste licence reg. no. W0279-01 (issued 10<sup>th</sup> December 2014) does not authorise the operation of this new emission point. A review of the waste licence will be required to regularise this new emission point, which should not be operated until it has been regularised. Please arrange, at your earliest convenience, for a pre-application meeting with the undersigned on this matter.

Please direct all correspondence in relation to this matter to Administration, *Environmental Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

---
