Subject: KWD application

Hello Joanne,

I have a query from licensing administration. It is in relation to information submitted on the KWD application on the 10/10/11. It supplied updated disposal and recovery activity codes as stipulated in the WMA 1996 to 2010. The submission supplied the codes but did not indicate the principal (P) activity at the site. Can you supply this please?

Many thanks,

Michael.
