06 January 2015

Reg No: W0167-03

Dear Mr. Shortt

I am to acknowledge receipt of your correspondence and payment to the Agency on 5 January 2015, in relation to the proposed determination which issued on 28 November 2014 to Indaver Ireland Limited, for their facility at Carranstown, Duleek, County Meath, Reg No: W0167-03.

Your letter will be treated as a formal and valid objection, and will be considered as part of the examination, assessment and decision on the proposed determination by the Agency.

In the event that the Agency receives third party objections to the Proposed Determination, in accordance with Regulation 26(1) of the EPA (Industrial Emissions) (Licensing) Regulations 2013, once the appropriate period for objections expires, the Agency will, in due course, circulate all objections to all other parties to the objection. Each party to the objection is entitled to make a submission/comments on such objections **within one month** of the copy of the objection being circulated. Submissions on objections must be both complete and received within the stated period.

Please note the application and associated correspondence, including this objection, are available to view on the Agency's website [www.epa.ie](http://www.epa.ie). You may subscribe to updates on this licence application through RSS Feeds to receive notifications regarding this application directly to your email account.

The details of the decision on this application by the Agency will be automatically notified to you in accordance with the requirements of Regulation 37(1)(a) of the above referenced Regulations.

Yours sincerely

Dorota Richards  
Environmental Licensing Programme  
Office of Climate, Licensing & Resource Use
