Dun Laoghaire
Co. Dublin

4th February 2015

Reg. No: W0284-01

Dear Mr Dowdall,

I refer to your application for a licence, which was received by the Agency on 4 November 2014.

I am to advise in accordance with Regulation 10(2)(b)(ii) of the EPA (Industrial Emissions) (Licensing) Regulations 2013, that the following information is required in support of the application under Regulation 9 of the Regulations:

Management of Waste Storage

1. Provide a drawing that identifies the designated storage areas in which incoming waste and treated outputs will be stored. This should include storage areas associated with the bring centre.
2. State the maximum amount of waste that will be stored in each designated storage area and the installation as a whole.
3. State the maximum length of time the waste or other material will be stored in each designated storage area
4. Confirm that treated waste is not baled at the installation.

In addition to the above please also provide an updated non-technical summary to reflect the information provided in your reply. The non-technical summary must meet the requirements of Section A of the Industrial Emissions Licence Application form, which is available on the Agency's website www.epa.ie.

Note: Any *telephone enquiries* in relation to the above should be directed to **Caroline Murphy** at the number above.

All *written communications and replies* should be directed to Noleen Keavey, Office of Climate, Licensing, Resources & Research, EPA, PO Box 3000, Johnstown Castle Estate, County Wexford.

The requested information should be submitted to the Agency within **3 weeks** of the date of this notice, in order to allow the Agency to process and determine your application.

In the circumstances, you should make immediate arrangements to have the required document(s) (1 signed original and 1 copy in hardcopy format, and 2 copies of all files in electronic searchable PDF format on CD-ROM) submitted to the Agency without delay. Your response to this request should be directed to Noeleen Keavey, Administration Officer, Office of Climate, Licensing, Resources & Research.

It should be noted that the eight-week period within which the Agency is to decide the proposed determination will commence on the day on which this notice has been complied with. If you have any further queries please contact Ms Caroline Murphy at the number above.

Yours sincerely

Caroline Murphy
