re: Waste licence application by Roadstone Limited in respect of a facility at  
Milverton Waste Recovery Facility, Milverton, Skerries, County Dublin,

Dear Ms McGann and Ms Doyle

I am to acknowledge receipt of your correspondence to the Agency dated 2 February 2015 received on 4 February 2015, in relation to the above referenced waste licence application.

I am to advise that, as the application process has reached the stage where the Agency has made its proposed decision, the Agency is prohibited from considering any objection which does not fulfil the requirements of Section 42 of the Waste Management Act. As your correspondence does not fulfil those requirements, for the reasons set out below, the Agency cannot consider it and consequently it is returned herewith.

Section 42(4) of the Waste Management Act 1996 as amended:

Objection not accompanied by the appropriate fee, i.e. €200.00

It should be noted, however, that the Agency is committed to openness, fairness and transparency in its decision making process and I can assure you that you will have access to all documentation in relation to this licence application including the report and recommendations of the technical committee (if valid objections are received in relation to the proposed decision) and the final decision of the Agency.

Yours sincerely,

Noeleen Keavey

Programme Officer

Office of Climate, Licensing & Resource Use
