Re: Notice of extension of period for consideration of objections to the proposed determination on a licence review application by Murphy Environmental Hollywood Limited. The Naul County Dublin

Dear Ms O'Donnell

I refer to the objection to the Agency's proposed determination on the above referenced application.

I am to notify you in accordance with the provisions of Regulation 36 of the Environmental Protection Agency (Industrial Emissions) (Licensing) Regulations 2013, that it will not be possible because of the complexity and nature of the information to be considered in the determination of the objection, to carry out the procedures for the consideration of the objection within the period specified in the Regulations.

I am to advise that the Agency intends to complete the consideration of the objection before 20<sup>th</sup> June 2015.

The Agency intends to issue its decision on the application before the specified date, and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

Yours sincerely,

Noeleen Keavey
