RE: Whitegate-Aghada Waste Water Discharge Licence Application D0423-01

Dear Éimer Godsil,

In response to the Regulation 20(1) request for further information notice, particulars and evidence dated the 10th March 2015, please see below relevant information.

Provide an update of the current situation at the Whitegate-Aghada agglomeration in relation to the proposed Waste Water Treatment Plant /network upgrade. In particular, provide a copy of the preliminary report prepared for the agglomeration.

Whitegate-Aghada is listed on Irish Water CIP 2014 -2016 as review scope and commence construction of approved scope. A draft preliminary report was prepared in 2014 and is to be reviewed by Irish Water to assess the works required to comply with the licence conditions on a prioritised basis.

A copy of the finalised preliminary report will be submitted to the EPA on approval by Irish Water.

Best Regards,

Gerry Galvin

Chief Technical Advisor
