PO Box 3000,
Johnstown Castle Estate,
County Wexford.

10th April 2015

Re: Application for Waste Licence (W0287-01) Ormonde Organics, Portlaw, County Waterford.

Dear Ms Keavey,

I refer to the Agency's letter dated the 3rd February 2015 in accordance with Regulation 10(2)(b)(ii) of the EPA (Industrial Emissions)(Licensing) Regulations 2013. The requested information is set out herein.

1. *As required under Regulation 9(2)(h), state in detail how the requirements of Section 83(5)(a)(i) to (v) and (vii) to (xa) of the Environmental Protection Agency Act of 1992, as amended will be met.*

Information on how the requirements of Section 83(5)(a)(i) to (v) and (vii) to (xa) of the Environmental Protection Agency Act of 1992, as amended will be met are in Attachment A.

2. *As required under Regulation 9(2)(h), provide BAT analysis which include all BAT Conclusions in the Reference document on Best Available Techniques for Energy Efficiency and complete table on Conclusions on BAT from the Emissions from storage BAT Reference Document available on the Agency's website at: <http://www.epa.ie/pubs/forms/lic/industrial%20emissions/batconemissionstostoragebref.html>.*

An analysis of all of the BAT Conclusions in Reference Document on Best Available Techniques for Energy Efficiency and the Conclusion on BAT from Storage are in Attachment B.

3. *As required under Regulation 9(2)(No), provide a baseline report in accordance with section 86B of the Environmental Protection Agency Act 1992, as amended. The baseline report should be prepared in accordance with European Commission Guidance concerning baseline reports under article 22(2) of Directive 2010/75/EU on industrial emissions (2014/C 136/03).*

a) *Inclusive in this report please provide a quantified assessment of soil and groundwater pollutions, if any, by the relevant hazardous substances you have identified. Please also take into consideration their degradation products and metabolites.*

A copy of the Baseline Report is in Attachment C.

4. *As required under Regulation 9(2)(w), provide an updated non-technical summary that includes information on existing and proposed point sources of emissions to air.*

An updated non-technical summary in in Attachment D.

5. *As required under Regulation 9(4)(a), provide a copy of the relevant page of the newspaper in which the notice in accordance with Regulation 5 of the Environmental Protection Agency (Industrial Emissions)(Licencing)Regulations 2013 has been published.*

A copy of the newspaper in which the notice in accordance with Regulation 5 of the 2013 Regulations is in Attachment E.

6. *As required under Regulations 9(4)(b) and 9(4)(d)(ii), provide a copy of the text of the site notice erected or fixed in accordance with Regulation 6 of said Regulations and provide a drawing showing the location of this site notice.*

A copy of the text of the site notice erected in accordance with Regulation 6 of the Regulations and a drawing showing the location of the notice is in Attachment F.

7. *As required under Regulation 9(4)(c), provide a copy of the notice given to the planning authority under section 87(1)(a) of the Environmental Protection Agency Act of 1992, as amended.*

A copy of the notice to the planning authority is in Attachment G.

Cont'd

8. *As required under Regulation 9(4)(d), please provide three up to date drawings of the installation as follows:*

Drawing 1

- *The proposed site boundary; and*
- *The location of all buildings, storage areas/tanks, weighbridge and other aspects of the installation.*

Drawing No 1 shows the proposed site boundary and the location of all the existing buildings storage areas/tanks, weighbridge and other aspects of the installation. Drawing No P10 P536-02 shows the site when fully developed.

Drawing 2

- *The area of land leased by Ormonde Organics Ltd. superimposed onto a drawing of the proposed site boundary.*

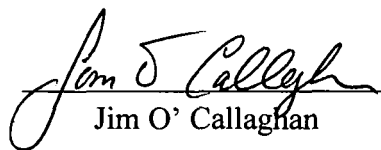

The area leased by Ormonde Organics is the same at the proposed site boundary. Drawing No 2 shows the land leased (blue line) by Ormonde Organics superimposed onto a drawing of the proposed site boundary (red line).

Drawing 3

- *The Area authorised under planning permission referred to in Section B.3 of the licence application form.*

The area authorised under planning permission referred to in Section B3 of the licence application is delineated in red on Drawing No 1.

Yours Sincerely

Jim O' Callaghan
