Mr Gerry Galvin
Chief Technical Advisor
Irish Water
PO Box 6000
Dublin 1

8th July 2015

Dear Mr Galvin,

I am to refer to your recent correspondence advising the Agency of your intention to withdraw the below referenced Waste Water Discharge Licences.

Registration No.	Agglomeration	Withdrawal Request Received Date
D0428-01	Mogeely	25/10/2013
D0484-01	Crossakeel	05/01/2014

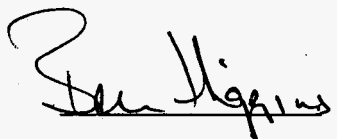

As you will be aware the Agency agreed to the withdrawal request in each of the instances above.

You are reminded that in accordance with the requirements of the Waste Water Discharge (Authorisation) Regulations 2007, agglomerations with a population equivalent (p.e) less than 500 require a Certificate of Authorisation. Irish Water, therefore, is requested to submit completed applications for certificates of authorisation for the above agglomerations within one month from date of issue of this letter.

Please note when preparing your applications for Certificates of Authorisation for these agglomerations all submitted application documentation will be available for the public to view on the Agency's website www.epa.ie.

Should you require any further clarification in relation to this matter please contact Breen Higgins at 053-9160600 or b.higgins@epa.ie.

Yours sincerely,

Breen Higgins,
Inspector.
Environmental Licensing Programme
