Dear Máire Buckley,

Re: Ballyvourney- Ballymakeery Waste Water Discharge Licence (D0299-01)

Irish Water wishes to clarify the Agency that the agglomeration name shall be "Ballyvourney-Ballymakeery" Agglomeration.

Furthermore, it is noted that a fee of €25,000 was paid for the Waste Water Discharge Licence application for an agglomeration with a population equivalent (p.e) of 2,001-10,000, as the current population equivalent is 1,409, the 2021 p.e is estimated to be 1,474 based on an average county growth rate of 0.64%¹ and the design PE is for 1,800, Irish Water consider that the appropriate category of licence application for the Ballyvourney-Ballymakeery agglomeration is 1,001-2,000. On this basis Irish Water is seeking a refund of the fee differential, €10,000.

Best Regards,

Gerry Galvin
