**Re: Processing of Review to P0863-02**

Dear Grainne,

Quinn Building Products have had confirmation on the transfer of the licence P0863-01 to Quinn Building Products Ltd (dated 28<sup>th</sup> August 2015). The EPA FI Request on Review to P0863-02 (dated 08/01/2013) can now be addressed.

There was an additional EPA FI Request with regard upgrading the licence in line with the Industrial Emissions Licensing Directive (dated 12/11/2015). Quinn Building Products Ltd intend to address the points listed in the Schedule of the letter (please note that the submission will be outside of the 12 week notice period given by the Agency in the letter 12/11/2015).

We will respond in as quick a timeframe as possible.

Should you have any queries in relation to the subject heading please do not hesitate to contact me.

Yours Sincerely,

Fintan Coyle.

On behalf of Licence Holder for P0863.
