**Subject:** FW: TA request for micro-distillery waste

Hi Grainne

Below please find email from Aidan Curran Irish Distillers POP0442-01 requesting the withdrawal of their Technical amendment request (the reference for the technical amendment on LEMA is CR00561)

Regards

Pat

**Subject:** TA request for micro-distillery waste

Pat,

As discussed, we need to withdraw the TA request for the importation of the micro-distillery waste and replace it with a new TA request to extend the boundary of the existing IPC site to incorporate the micro-distillery activities.

We will only submit the new TA request when original one has been withdrawn/rejected on EDEN.

Regards,

Aidan Curran
