Dear Mr. Meaney,

**RE: WASTE LICENCE REVIEW APPLICATION IN RESPECT OF KILLARNEY WASTE DISPOSAL LTD, AUGHACURREEN, KILLARNEY, CO. KERRY**

In response to your correspondence of 23<sup>rd</sup> September 2015 addressed to Mr. Brian Bruton of Killarney Waste Disposal Ltd. (KWD), I sent you an email on 27<sup>th</sup> October 2015 on behalf of KWD, requesting a meeting to discuss the matter.

We have received no response to that request, so I hereby once again request a meeting with the Agency to consult on this issue.

I note that you invited KWD to address certain matters in a report in advance of today's date, but as explained in my email of 27<sup>th</sup> October, KWD wish to consult with the Agency in advance of preparing such a report, so we ask that you extend that deadline to four weeks after a consultation meeting has been held.

KWD does not currently wish to withdraw the application for a review of their waste licence and the company reserves the right to challenge any decision by the Agency that suggests that the application is withdrawn or abandoned. It is our understanding that the Agency can proceed to a positive decision on this application.

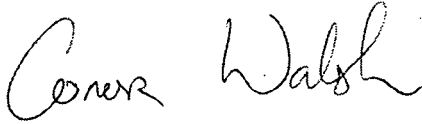

We would like to extend the meeting to include a pre-application consultation meeting on a facility in Cork that KWD intends to use to alleviate the issue at the Killarney site. This can be one meeting, as the two issues are inter-related, or two separate meetings if that better suits the Agency.

I look forward to your response.
