Hi Brian

Following on from our conversation on Tuesday this week, we are active engaging with Meath County Council to resolve this issue and it is a priority for Roadstone to get this application completed.

I am still waiting to hear back from Meath Council. We met with Meath County Council planning on the 27<sup>th</sup> October 2015. Please see attached letter. I was hoping to extend the deadline on the planning permission response in light of this.

Can we get a 4 week extension to the 16<sup>th</sup> of December. If developments progress we will be in correspondence immediately.

Kind Regards

John Dillon BSc,MSc,DIC
