Hi Brian

I am still waiting to hear back from Meath Council. I am promised a definitive answer by Friday this week i.e either planning is valid at present or we need to apply for planning.

I was hoping to extend the deadline on the planning permission response in light of this.

Can we get a 4 week extension to 12th January. If developments progress we will be in correspondence immediately. I will contact you on Friday when I hear back.

Kind Regards

John Dillon BSc, MSc, DIC, MCIWM
