County Laois

27/01/16

Reg No.: W0184-02

Notice under section 87(1)(b) of the Environmental Protection Agency Act 1992 as amended

Dear Director of Services

In accordance with Section 87(1)(b) of the Environmental Agency Act 1992, as amended, this letter is to notify you that the Agency has decided to review the following Industrial Emissions licence:

- **Name of applicant:** Enva Ireland Limited
- **Location of facility:** Clonminam Industrial Estate, Portlaoise, Co Laois
- **Reference No. of existing licence:** W0184-01
- **Reference No. for licence review:** W0184-02

The licence is being reviewed in accordance with the provisions of sections 90(4) and 98A of the Environmental Protection Agency Act 1992 as amended for the following reasons:

- emissions from the activity to which the licence relates are, or are likely to be, of such significance that the existing emission limit values, or equivalent parameters or technical measures specified in the licence need to be reviewed or new such values, parameters or measures, as the case may be, need to be specified in the licence [s90(4)(a)(i)];
- evidence, which was not available when the licence was granted, has become available relating to the contents or nature of emissions from the installation or the effects of emissions on the environment [90(4)(b)(iii)]; and
- the Agency has received notice and has become aware of an alteration, reconstruction or extension, in the form of a proposal to install a regenerative thermal oxidiser for the purpose of treating existing emissions to air, which would increase or change emissions from the Industrial Emissions activity or cause significant new emissions therefrom or otherwise constitute substantial change [s98A(3)].

You should note that it will be the entire licence and all licensed activities that will be subject to the licence review.

The Agency has sought from the licensee the preparation of a large amount of information and the licensee must submit the required information no later than 17 May 2016. On receipt of this information the Agency will make it available on its website without delay.

Please note that all documentation and associated correspondence, **including submissions**, will be available to view on the Agency's website www.epa.ie. You can make submissions via the Agency's website or by post or email. You may subscribe to updates on this licence review (register number W0184-02) through RSS Feeds to receive notifications regarding this application directly to your email account.

The details of the proposed determination by the Agency will be notified to you in accordance with the requirements of the EPA Act 1992 as amended.

Yours sincerely

- **Reference No. for licence review:** W0184-02

The licence is being reviewed in accordance with the provisions of sections 90(4) and 98A of the Environmental Protection Agency Act 1992 as amended for the following reasons:

- emissions from the activity to which the licence relates are, or are likely to be, of such significance that the existing emission limit values, or equivalent parameters or technical measures specified in the licence need to be reviewed or new such values, parameters or measures, as the case may be, need to be specified in the licence [s90(4)(a)(i)];
- evidence, which was not available when the licence was granted, has become available relating to the contents or nature of emissions from the installation or the effects of emissions on the environment [90(4)(b)(iii)]; and
- the Agency has received notice and has become aware of an alteration, reconstruction or extension, in the form of a proposal to install a regenerative thermal oxidiser for the purpose of treating existing emissions to air, which would increase or change emissions from the Industrial Emissions activity or cause significant new emissions therefrom or otherwise constitute substantial change [s98A(3)].

You should note that it will be the entire licence and all licensed activities that will be subject to the licence review.

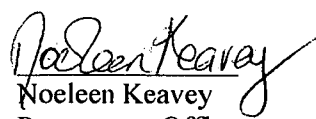

The Agency has sought from the licensee the preparation of a large amount of information and the licensee must submit the required information no later than 17 May 2016. On receipt of this information the Agency will make it available on its website without delay.

Please note that all documentation and associated correspondence, **including submissions**, will be available to view on the Agency's website www.epa.ie. You can make submissions via the Agency's website or by post or email. You may subscribe to updates on this licence review (register number W0184-02) through RSS Feeds to receive notifications regarding this application directly to your email account.

The details of the proposed determination by the Agency will be notified to you in accordance with the requirements of the EPA Act 1992 as amended.

Yours sincerely

Notice under section 87(1)(b) of the Environmental Protection Agency Act 1992 as amended

Dear Dr Forde

In accordance with Section 87(1)(b) of the Environmental Agency Act 1992, as amended, this letter is to notify you that the Agency has decided to review the following Industrial Emissions licence:

- | | |
|--------------------------------------|---|
| - Name of applicant: | Enva Ireland Limited |
| - Location of facility: | Clonminam Industrial Estate, Portlaoise, Co Laois |
| - Reference No. of existing licence: | W0184-01 |
| - Reference No. for licence review: | W0184-02 |

The licence is being reviewed in accordance with the provisions of sections 90(4) and 98A of the Environmental Protection Agency Act 1992 as amended for the following reasons:

- emissions from the activity to which the licence relates are, or are likely to be, of such significance that the existing emission limit values, or equivalent parameters or technical measures specified in the licence need to be reviewed or new such values, parameters or measures, as the case may be, need to be specified in the licence [s90(4)(a)(i)];
- evidence, which was not available when the licence was granted, has become available relating to the contents or nature of emissions from the installation or the effects of emissions on the environment [90(4)(b)(iii)]; and
- the Agency has received notice and has become aware of an alteration, reconstruction or extension, in the form of a proposal to install a regenerative thermal oxidiser for the purpose of treating existing emissions to air, which would increase or change emissions from the Industrial Emissions activity or cause significant new emissions therefrom or otherwise constitute substantial change [s98A(3)].

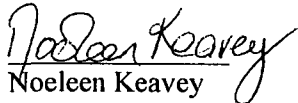

You should note that it will be the entire licence and all licensed activities that will be subject to the licence review.

The Agency has sought from the licensee the preparation of a large amount of information and the licensee must submit the required information no later than 17 May 2016. On receipt of this information the Agency will make it available on its website without delay.

Please note that all documentation and associated correspondence, **including submissions**, will be available to view on the Agency's website www.epa.ie. You can make submissions via the Agency's website or by post or email. You may subscribe to updates on this licence review (register number W0184-02) through RSS Feeds to receive notifications regarding this application directly to your email account.

The details of the proposed determination by the Agency will be notified to you in accordance with the requirements of the EPA Act 1992 as amended.

Notice under section 87(1)(b) of the Environmental Protection Agency Act 1992 as amended

Dear Sir/Madam

In accordance with Section 87(1)(b) of the Environmental Agency Act 1992, as amended, this letter is to notify you that the Agency has decided to review the following Industrial Emissions licence:

- | | |
|--------------------------------------|---|
| - Name of applicant: | Enva Ireland Limited |
| - Location of facility: | Clonminam Industrial Estate, Portlaoise, Co Laois |
| - Reference No. of existing licence: | W0184-01 |
| - Reference No. for licence review: | W0184-02 |

The licence is being reviewed in accordance with the provisions of sections 90(4) and 98A of the Environmental Protection Agency Act 1992 as amended for the following reasons:

- emissions from the activity to which the licence relates are, or are likely to be, of such significance that the existing emission limit values, or equivalent parameters or technical measures specified in the licence need to be reviewed or new such values, parameters or measures, as the case may be, need to be specified in the licence [s90(4)(a)(i)];
- evidence, which was not available when the licence was granted, has become available relating to the contents or nature of emissions from the installation or the effects of emissions on the environment [90(4)(b)(iii)]; and
- the Agency has received notice and has become aware of an alteration, reconstruction or extension, in the form of a proposal to install a regenerative thermal oxidiser for the purpose of treating existing emissions to air, which would increase or change emissions from the Industrial Emissions activity or cause significant new emissions therefrom or otherwise constitute substantial change [s98A(3)].

You should note that it will be the entire licence and all licensed activities that will be subject to the licence review.

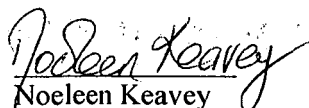

The Agency has sought from the licensee the preparation of a large amount of information and the licensee must submit the required information no later than 17 May 2016. On receipt of this information the Agency will make it available on its website without delay.

Please note that all documentation and associated correspondence, **including submissions**, will be available to view on the Agency's website www.epa.ie. Reg No.: W0184-02

Notice under section 87(1)(b) of the Environmental Protection Agency Act 1992 as amended

Dear Minister

In accordance with Section 87(1)(b) of the Environmental Agency Act 1992, as amended, this letter is to notify you that the Agency has decided to review the following Industrial Emissions licence:

- | | |
|---|---|
| - Name of applicant: | Enva Ireland Limited |
| - Location of facility: | Clonminam Industrial Estate, Portlaoise, Co Laois |
| - Reference No. of existing licence: | W0184-01 |
| - Reference No. for licence review: | W0184-02 |

The licence is being reviewed in accordance with the provisions of sections 90(4) and 98A of the Environmental Protection Agency Act 1992 as amended for the following reasons:

- emissions from the activity to which the licence relates are, or are likely to be, of such significance that the existing emission limit values, or equivalent parameters or technical measures specified in the licence need to be reviewed or new such values, parameters or measures, as the case may be, need to be specified in the licence [s90(4)(a)(i)];
- evidence, which was not available when the licence was granted, has become available relating to the contents or nature of emissions from the installation or the effects of emissions on the environment [90(4)(b)(iii)]; and
- the Agency has received notice and has become aware of an alteration, reconstruction or extension, in the form of a proposal to install a regenerative thermal oxidiser for the purpose of treating existing emissions to air, which would increase or change emissions from the Industrial Emissions activity or cause significant new emissions therefrom or otherwise constitute substantial change [s98A(3)].

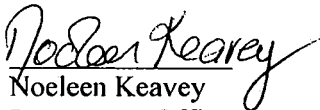

You should note that it will be the entire licence and all licensed activities that will be subject to the licence review.

The Agency has sought from the licensee the preparation of a large amount of information and the licensee must submit the required information no later than 17 May 2016. On receipt of this information the Agency will make it available on its website without delay.

Please note that all documentation and associated correspondence, **including submissions**, will be available to view on the Agency's website www.epa.ie. You can make submissions via the Agency's website or by post or email. Reg No.: W0184-02

Notice under section 87(1)(b) of the Environmental Protection Agency Act 1992 as amended

Dear Mr Browne

In accordance with Section 87(1)(b) of the Environmental Agency Act 1992, as amended, this letter is to notify you that the Agency has decided to review the following Industrial Emissions licence:

- | | |
|--------------------------------------|---|
| - Name of applicant: | Enva Ireland Limited |
| - Location of facility: | Clonminam Industrial Estate, Portlaoise, Co Laois |
| - Reference No. of existing licence: | W0184-01 |
| - Reference No. for licence review: | W0184-02 |

The licence is being reviewed in accordance with the provisions of sections 90(4) and 98A of the Environmental Protection Agency Act 1992 as amended for the following reasons:

- emissions from the activity to which the licence relates are, or are likely to be, of such significance that the existing emission limit values, or equivalent parameters or technical measures specified in the licence need to be reviewed or new such values, parameters or measures, as the case may be, need to be specified in the licence [s90(4)(a)(i)];
- evidence, which was not available when the licence was granted, has become available relating to the contents or nature of emissions from the installation or the effects of emissions on the environment [90(4)(b)(iii)]; and
- the Agency has received notice and has become aware of an alteration, reconstruction or extension, in the form of a proposal to install a regenerative thermal oxidiser for the purpose of treating existing emissions to air, which would increase or change emissions from the Industrial Emissions activity or cause significant new emissions therefrom or otherwise constitute substantial change [s98A(3)].

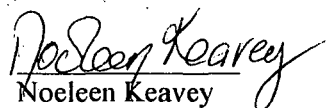

You should note that it will be the entire licence and all licensed activities that will be subject to the licence review.

The Agency has sought from the licensee the preparation of a large amount of information and the licensee must submit the required information no later than 17 May 2016. On receipt of this information the Agency will make it available on its website without delay.

Please note that all documentation and associated correspondence, **including submissions**, will be available to view on the Agency's website www.epa.ie. You can make submissions via the Agency's website or by post or email. You may subscribe to updates on this licence review (register number W0184-02) through RSS Feeds to receive notifications regarding this application directly to your email account.

The details of the proposed determination by the Agency will be notified to you in accordance with the requirements of the EPA Act 1992 as amended.

Reg No.: W0184-02

Notice under section 87(1)(b) of the Environmental Protection Agency Act 1992 as amended

Dear Mr Newman

In accordance with Section 87(1)(b) of the Environmental Agency Act 1992, as amended, this letter is to notify you that the Agency has decided to review the following Industrial Emissions licence:

- **Name of applicant:** Enva Ireland Limited
- **Location of facility:** Clonminam Industrial Estate, Portlaoise, Co Laois
- **Reference No. of existing licence:** W0184-01
- **Reference No. for licence review:** W0184-02

The licence is being reviewed in accordance with the provisions of sections 90(4) and 98A of the Environmental Protection Agency Act 1992 as amended for the following reasons:

- emissions from the activity to which the licence relates are, or are likely to be, of such significance that the existing emission limit values, or equivalent parameters or technical measures specified in the licence need to be reviewed or new such values, parameters or measures, as the case may be, need to be specified in the licence [s90(4)(a)(i)];
- evidence, which was not available when the licence was granted, has become available relating to the contents or nature of emissions from the installation or the effects of emissions on the environment [90(4)(b)(iii)]; and
- the Agency has received notice and has become aware of an alteration, reconstruction or extension, in the form of a proposal to install a regenerative thermal oxidiser for the purpose of treating existing emissions to air, which would increase or change emissions from the Industrial Emissions activity or cause significant new emissions therefrom or otherwise constitute substantial change [s98A(3)].

You should note that it will be the entire licence and all licensed activities that will be subject to the licence review.

The Agency has sought from the licensee the preparation of a large amount of information and the licensee must submit the required information no later than 17 May 2016. On receipt of this information the Agency will make it available on its website without delay.

Please note that all documentation and associated correspondence, **including submissions**, will be available to view on the Agency's website www.epa.ie.
