I Walsh acted as Minute Secretary

4. **Technical Amendment Request**

The Directors considered documentation from the Environmental Licensing Programme outlining a Technical Amendment Request from Enva Ireland Limited, Register of Licence Number W0184-01 for their installation at Clonminam Industrial Estate, Portlaoise. Brian Meaney gave a verbal presentation outlining to the Board that the request relates to a proposed new treatment method to deal with odorous off-gases from processes at the installation. The Directors noted the proposed installation of a thermal oxidiser to abate odour emissions from the existing oil drying tanks. The Directors also noted the proposed new wording of condition 5.3. Following discussion, the Directors agreed to defer the matter until the Technical Board Meeting on 12 January 2016.
