Subject: ENVA W0184-20 Enva portlaoise Gassy / Oil odour - Rockview Resident

Hi Noeleen / Mary / Joan, Hope you are well,

I'm emailing you as a resident living in Rockview, Mountrath Road, Portlaoise with reference to the Enva oil recycling plant in Clonminam Industrial Estate, Portlaoise, Co. Laois ENVA W0184-20.

I live in the estate very near the Enva plant.

On a very regular basis, since 2009, I get an Gassy / Oil odour. This smell can be very strong and sickening. It would be described as an Gassy / Oil odour similar to the odour of Diesel / kerosene. It's not the Gain Feed plant which manufactures animal feed, that smell is a sweet smell (usually distillers grains).

Last week, on the 8th of April at lunch time (1:00 pm), I got a distinct smell and it is an Gassy / Oil odour.

I hope you take this information into consideration when reviewing the activities which take place at this facility.

If you have any other questions please do not hesitate in contacting me rockviewresident@outlook.ie

Regards

Rockview Resident
